DECISION (ON THE PAPERS)

This is an application by General Distributors Limited for renewal of an Off-Licence in respect of premises situated at 121 Carters Road, Amberley, known as "Countdown Amberley".

No changes to the conditions of the licence have been sought by the applicant.

The application was duly advertised and no objection or notice of desire to be heard has been received.

In their reports, the Police, Medical Officer of Health, and District Licensing Inspector have raised no matters in opposition to this application.

We are satisfied as to the matters to which we must have regard as set out in s.131 of the Act. We renew the licence on the existing terms and conditions until 14 November 2025, that being the anniversary date of the licence and three years from the most recent date of expiry.

When the Licensing Committee renews an off-licence for a premises that are a supermarket, is required to impose a condition on the licence describing one area within the premises as a permitted area for the display and promotion of alcohol, in accordance with s. 112(2) of the Act.

In addition, s. 112(3) of the Act states that "on the renewal of an off-licence for a premises that are for a supermarket or grocery store, any single-area condition imposed when the licence was issued (or last renewed) expires.

Accordingly, we have imposed the following condition on the off-licence no. 57/OFF/399/2023:

- The **single alcohol area** is within the alcove and chiller at the southeastern end of the premises as shown on the attached plan, dated as received by the Hurunui District Licensing Committee on 14 October 2022. The licensed area is **undesigned**.

Due to a practice direction from the Alcohol Regulatory and Licensing Authority, we authorise the issue of a replacement licence with a new number and notice of renewal.

Dated at Amberley this 1st day of December 2023
