DECISION (ON THE PAPERS)

This is an application by A-Jay Investments Limited for renewal of an Off-Licence in respect of premises situated at 12C Conical Hill Road, Hanmer Springs, known as "Four Square Hanmer Springs".

No changes to the conditions of the licence have been sought by the applicant.

The application was duly advertised and no objection or notice of desire to be heard has been received.

In their reports, the Police, Medical Officer of Health, and District Licensing Inspector have raised no matters in opposition to this application.

We are satisfied as to the matters to which we must have regard as set out in s.131 of the Act. We renew the licence until 9 June 2026, that being the anniversary date of the licence and three years from the most recent date of expiry.

When the Licensing Committee renews an off-licence for a premises that are a grocery store, is required to impose a condition on the licence describing one area within the premises as a permitted area for the display and promotion of alcohol, in accordance with s. 112(2) of the Act.

In addition, s. 112(3) of the Act states that "on the renewal of an off-licence for a premises that are for a grocery store, any single-area condition imposed when the licence was issued (or last renewed) expires.

Accordingly, we have imposed the following condition on the off-licence no. 57/OFF/423/2023:

- The area delineated on the attached plan, date stamped as received by the Hurunui District Licensing Committee on 9 May 2023, is a permitted area for the display and promotion of alcohol.

Due to a practice direction from the Alcohol Regulatory and Licensing Authority we authorise the issue of a replacement licence with a new number and notice of renewal.
