DECISION (ON THE PAPERS)

This is an application by Rogoz Holdings Limited for a Temporary Authority Order in respect of premises situated at 10 Mt Lyford Forest Drive, Mt Lyford, known as "Mt Lyford Lodge".

The general nature of the business to be undertaken is that of a Hotel, with the hours authorised for the sale of alcohol between Monday to Sunday from 10.00am to 2.00am the following day. The lodge is currently open for the sale and supply of alcohol from 3.00pm to 9.30/10.00pm Wednesday to Sunday. Ross Treloar is currently the only duty manager at the premises. One duty manager at this stage will be adequate for these days and hours.

This is the fourth application for a temporary authority for an On licence. The applicant did not specify a date for the authority to commence. The previous authority will expire on 26 February 2019 therefore, the temporary authority shall commence on 27 February 2019.

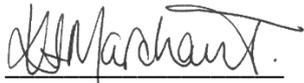

It is unusual for four temporary authorities to be required, however, the fourth temporary authority is necessary as there are unresolved building compliance issues. These have resulted in the Building Code Compliance Certificate being unable to be issued at this time. The impact of this is that the on-licence application cannot be issued. Various options for resolving the issues associated with the fire protection system at the lodge have been discussed by Council building officers, fire protection specialists and the property owners. It is hopeful that a workable solution will soon be determined to a point where the on-licence application can be issued.

In their reports, the Police and District Licensing Inspector have raised no matters in opposition to this application.

We are satisfied as to the matters to which we must have regard as set out in s. 136 of the Act and we grant the applicant a temporary authority for the duration of 3 months, commencing on

27/02/2019, subject to the current licence 57/ON/456/2017 continuing in force for the duration of the Order.
