

## 2025 Boating & Water Safety Experience for Families

The **MainPower Amberley Pool Safe Boating Programme** is a 50-minute session designed to provide practical, boating and water safety experience for children and adults – regardless of their confidence in the water.

The programme is New Zealand Coastguard initiative and includes in-water survival techniques, essential safety equipment (e.g. correct lifejacket selection and fitting), the importance of communications, and taking responsibility for personal safety.

Boating activities are taught at the pool in a fun, controlled, and safe environment.

**Cost \$50 per family/group** (maximum of six people per instructor, can be a mix of children, parents, grandparents, caregivers etc)

Sessions must be pre-booked and are available throughout Term One 2025:

- Saturday mornings in January 2025
- Sunday mornings January – April 2025
- Weekdays after 4.30pm in January 2025
- Tuesday and Wednesday evenings from 7.15pm February – April 2025.

**Bookings:** Bookings and queries can be made by emailing [amberley.pool@hurunui.govt.nz](mailto:amberley.pool@hurunui.govt.nz)  
Bookings must be pre-paid - either online or at the pool or the HDC Office.

**Cancellations:** Cancellations will be accepted with 72 hours notice and a postponement date will be arranged. No refunds will apply.

### Gift Certificates

What better gift could there be than educating children of all ages to be safe around boats and water.

Gift Certificates for the 2025 **MainPower Amberley Pool Safe Boating Programme** cost just \$50 and need to be produced when making a booking at either the pool or the HDC Office.

Please note that gift certificates are transferable but nonrefundable and are timebound for the 2025 Season.
