AND

IN THE MATTER

of an application by Durham John
Frewin pursuant to s.224 of the Act
for renewal of a Manager's
Certificate

BEFORE THE Hurunui District Licensing Committee

Chairperson: Councillor M Black

DECISION (ON THE PAPERS)

This is an application by Durham John Frewin for renewal of a Manager's Certificate.

In their report, the Police raised no matters in opposition to renewal, however, the Licensing Inspector did oppose the application due to the applicants failure to respond to phone messages and emails to make contact for an interview.

The original Inspectors report was forwarded to the District Licensing Committee and a scheduling of a hearing was requested.

The applicant was advised of this action by email, and the applicant subsequently phoned the Inspector for a renewal interview. Inspectors opposition was withdrawn.

The District Licensing Committee would like to remind the applicant that his failure to assist the licensing inspector with her report affects s.227 (d) of the Act – Criteria for renewal, any matters dealt with in any reports made under section 225.

Durham is a chef and duty manager. He has been a duty manager at the premises for several years. The premises now employs three chefs so this enables Durham to undertake the duty manager role more often, particularly at nights. When the duty manager he undertakes front of house duties serving customers. This enables him to monitor patrons and their consumption of alcohol.

Under section 218 of the Act the Committee must not renew a manager's certificate unless the manager holds the prescribed qualification.

As the applicant has successfully completed the Licence Controller Qualification Bridging Test, the committee is satisfied that the criteria as set out in s.224 of the Act has been met.

A renewal notice can be issued and will remain in force until 30 November 2021.
