BEFORE THE HURUNUI DISTRICT LICENSING COMMITTEE

Commissioner: Mr M Ward

DECISION (ON THE PAPERS)

This is an application by Liquid Events Limited for an on-site special licence in respect of premises situated at 780 Glasnevin Road, Amberley and known as Waipara Winehouse.

The nature of the event for which the licence is sought is a Six60 Concert with the days and hours authorised for the sale of alcohol being Sunday 12 May 2024 from 1.30pm to 10.00pm.

It is noted that the hours of operation are divided into two sections, one being for the outdoor area for general public attendance at the concert and the second being the indoor VIP area. The hours authorised for the sale of alcohol in each section are as follows:

- Outdoor general admission area - from 1.30pm until 5.30pm.
- Indoor VIP area - from 1.30pm until 10.00pm

Both of the licensed areas are undesignated, meaning persons of any age may be present.

In their reports, the Police, Medical Officer of Health, and District Licensing Inspector have raised no matters in opposition to this application.

We note that whilst not opposed, the Medical Officer of Health in her report has raised the need for a Traffic Management Plan (TMP) to be approved by New Zealand Transport Agency Waka Kotahi. This is also a requirement of the resource consent held to authorise concerts at the property. We have been advised that the TMP has been approved as of 26 April 2024.

In her report the Medical Officer of Health has made reference to Fire and Emergency New Zealand addressing consent matters with the applicant. Subsequent enquiries by the District

Licensing Inspector have confirmed that the evacuation scheme for the building has been transferred to the new owner.

We are satisfied as to the matters to which we must have regard as set out in s. 142 of the Act and we grant the applicant an on-site special licence authorising the sale and supply of alcohol, to any person attending this occasion or event.

The licence may issue immediately.
