5. Dog owners' personal details will be kept by the Hurunui District Council but may be used only for lawful official purposes and will not be generally available to the public. However, section 35 of the Dog Control Act 1996 allows the name and address of the owner to be made available to any person who has made a written application for that information. Before supplying the information, the Hurunui District Council must be satisfied of the identity of the applicant and that the information is required for one of a limited number of special purposes, such as returning a lost dog to its owner or seeking compensation for damage.
6. Failure to supply any of the information requested in this form that is relevant to your application may prevent the registration of your dog. You are encouraged to request the Hurunui District Council to correct or amend any of your details if you discover a mistake or if the relevant circumstances change. You are required to notify the Hurunui District Council of any change of address or change in the ownership of the dog.
7. Replacement tags may be obtained from the Hurunui District Council if the current tag has been lost, stolen, damaged or destroyed.

10. On change of ownership of any registered dog, both the previous owner and the new owner must, within 14 working days, give written notice to the Councils involved, of the change of ownership and the residential address of the new owner and the address at which the dog will be kept. It is an offence not to comply with this requirement. On conviction, a Court may impose a fine of up to \$500. If the owner's address is changed within the district, the owner must within 14 days, give written notice of the change to the Hurunui District Council.

13. If any dog over the age of 3 months is found not wearing a collar with a current registration tag attached, on land or premises other than its owner's land or premises, or any public place, the dog may be seized and impounded.
14. If any dog is transferred to and kept in the district of another territorial authority, other than the one in which it has been kept, for one month or more, the owner shall within 6 weeks of the transfer, give written notice of the transfer to both authorities, setting out the address at which the dog will be kept.
It is an offence not to comply with this requirement. On conviction, a Court may impose a fine of up to \$500.
